## **COMPANY PROFILE**

Expomix Investments Private Limited is a wholly owned Zimbabwean company. Founded in 2021, the company specialises in the manufacture of quality poly-ethylene (HDPE, LDPE) pipes. Piping made from Poly Ethylene is durable, flexible, and requires little to no maintenance.

The company's constant endeavor is, and will continue to be, to extend the application of plastics and bring innovative solutions to the market. Our pipes are manufactured for various applications, both domestic and commercial, in boreholes, irrigation, water reticulation, mining, telecommunications and building construction.

## **EXPERIENCE**

The top management team leading Expomix bring a combined experience of over 20 years in borehole installations, farming, irrigation, pipe fittings and installations and are well known for their knowledge, business and technical expertise. The experience has brought much reputation and confidence within our customer base.

## **PRODUCT RANGE**

Our HDPE product range starts from 20mm to 110mm with classes from 6 (PN6) up to class 25 (PN25).

<b>Pipe OD (mm)</b>	<b>Class (PN)</b>
20	6 - 25
25	6 - 25
32	6 - 25
40	6 - 25
50	6 - 25
63	6 - 25
75	6 - 25
90	6 - 25
110	6 - 25

## **QUALITY**

Quality has and will always be the cornerstone of our company. Our comprehensive quality initiatives are based on the continual improvements in our products, process and systems which are designed to meet the specific customers' needs and satisfaction. Our dedicated team keeps a strict vigil at each stage of production to ensure the impeccable quality of our products.

## **MANUFACTURING FACILITIES**

Empowered with the most appropriate infrastructure, we enjoy a strong technological advantage with our well-equipped and modern manufacturing unit. Our sophisticated manufacturing unit boasts a hi-tech energy efficient Plastic Extrusion Plant, the best in-class screw technology, with adequate storage capacity which enables us to execute a large volume of bulk orders within a particular time frame.

## **OUR VALUES**

Expomix actively fosters a vibrant culture driven by a tightly held set of core values that allow us to deliver sustainable results for our customers, our people, our processes and the business.

The five core values that underpin the culture and behaviours at Expomix are:

**Safety:** We ensure that the well-being of our staff, community and the environment is integral to everything we do.

**Quality:** We consistently achieve to agreed standards.

**Innovation:** We create and deliver new value for our customers and the business in alignment with our vision.

**Integrity:** We do what is right.

**Success:** We build sustainable value through the achievement of business and personal goals.

## **MISSION**

Our mission is to exceed our customers' expectations in quality, delivery, and cost through continuous improvement and customer interaction.

## **VISION**

Our vision is to be a premier piping manufacturer of top quality products and solutions. We dedicate ourselves to be the supplier of choice when our type of products are being sought. This vision will be accomplished by sharing the responsibilities of planning and decision making with all of our employees.
